

**“More Bull for Your Buck” Sale
January 20th, 2018
Gray Court, SC**

Dear Cattlemen and Friends:

Welcome to our seventh annual production sale which features our largest and highest quality offering of bulls and heifers to date. We are proud to be offering cattle that excel in multiple traits and represent many of the top bloodlines and genetics available today in the Red Angus breed. This past year proved to be another banner year for Red Angus with continued growth in membership, registrations, cow inventory and feeder calf tag sales! I believe that **Red Angus** cattle offer more value than any other beef breed because they excel in so many economically relevant traits. We continue to see the advantages of Red Angus marketing opportunities such as the **Choice Plus grid from Tyson Foods, the Go Red grid from Greater Omaha and Meyer Natural Foods search for Red Angus sired calves in the Southeast. In addition, the Top Dollar Angus program is already increasing demand for predictable Red Angus carcass genetics, and our customers who are taking advantage of the “yellow tag” program are also seeing an increased demand for their Red Angus sired calves across the Southeast!** Red Angus females continue to be a much sought after commodity in cow herds across the country because of their efficient productivity and calm dispositions. **They are truly PRO Cows! Independent research evaluating three million feeder calves over a five year period shows that Red Angus sired calves out sold all other breed groups!** As excitement and acceptance of the breed continues to escalate, the time to “Be Red” is “Right Now!”

Our cattle are tested every day in a “no frills” environment, and the bulls and females being offered to you today have passed the test. Whether you are looking for calving ease, growth, maternal traits or carcass merit, our Red Angus can meet your needs, and they’ll do it efficiently with added heat and fescue tolerance. We continue to strive for predictable and sustainable performance from our cattle every day, and we measure our success one satisfied customer at a time. Buy with confidence, knowing that we will stand behind our cattle with marketing assistance and beef industry experience to help you literally bring more beef to the table in the years ahead and more profit to your operation. If I can be of assistance in selecting animals to meet your needs or answering any questions, please give me a call. We look forward to the opportunity to earn your business.

Sincerely,

Raymond Prescott, Mgr.
Bull Hill Ranch

Videos of all bulls and heifers are available online at our website, bullhillredangusranch.com on the sales page. Also, on our website, updated EPD’s will be available on the sale animals when the Spring 2018 EPD run from RAAA becomes available. You may also access updates at: redangus.org

A photograph of a young, reddish-brown cow standing in a dirt field. The cow is facing left, and its body is covered in a smooth, reddish-brown coat. The background shows a line of trees and a fence, suggesting a rural or farm setting.

HXC Declaration is a powerful new sire in the Genex line up offering unsurpassed growth, carcass merit and feed efficiency. Lot 12 may be the first son to sell anywhere in the US, and he's backed up by a stout cow family and EPD's ranking in the top 1% for growth and carcass traits. Don't miss this super herd sire prospect! Base price: \$2400.00

Lots 55-75 were vaccinated twice with Vision 7 Somnus and Virashield 6 prior to weaning and revaccinated with Virashield 6+VL5 on 12/11/17. They were dewormed with Long Range injectable dewormer in May of '17 and again with a pour on dewormer on 12/11/17. **Base prices and current weights will be available with other information on a supplement sheet on sale day.**

Lots 76-85, Westridge Farms Commercial Heifers

We are pleased to offer ten heifers from Westridge Farms of Little Mountain, SC. These open heifers are sired by Bull Hill Shooter 1135 and Bull Hill Rocky 3137. They were born from December of 2016 to February of 2017, vaccinated with Ultrabac 7 and Bovishield Gold in July and August of 2017 and dewormed on September of '17. **Contact Adam Frick at 803-917-9907 for more information.**
