SC Hereford and Red Angus Sale, Clemson, SC, May 7th, 2022

Lot 54 & 54A, Cow/Calf Pair: ET Heifer Calf: Bull Hill Juana 1202, Reg. # 4559875, Born 9/19/21. Here's a show heifer prospect backed up by a proven performance cow family. This fancy Declaration daughter is out of the Juana 9133 cow, who posted a 112 MPPA on 8 natural calves before becoming an ET donor. Full sibs to this mating include Juana 7260, the 2019 SC State Fair Champion female who produced the top selling bull in our 2021 sale and just entered the donor pen as the third generation donor in this cow family. The calf will be halter broke by sale day and ready to start her own chapters in this great cow family story.

Lot 54 & 54A

Bull Hill Juana 9133, dam of Lot 54A ET heifer calf.

Recipient dam is Lot 54, Bred AI on 3/21/22 to LASO Alamo C92H, Reg. # 4295093. This is a productive young cow that should match up well with the balance, power and carcass merit that Alamo provides. She is moderate and easy fleshing with an excellent udder.

Bull Hill Juana 7260, full sister to Lot 54A

Lot 55, Bred Cow: Bull Hill Wendy 5248, Reg. # 3535361. A beautiful, dark red, easy keeping New Direction daughter from the “Wendy” cow family. Her dam is a second generation ET donor for us, and her sire has been one of the most heavily used AI sires in the breed for several years, for good reason. AI bred on 3/30/22 to our exciting new herdsire, LASO Alamo C92H, Reg. #4295093, who offers powerful outcross genetics with the best carcass ultrasound/performance combination in the breed. His first calves look tremendous!

Lot 55, Bull Hill Wendy 5248

Bull Hill Wendy 1033, dam of Lot 55

LASO Alamo C92H, service sire of Lot 55

Lot 56, Open Heifer: 1SFRA 2105, Reg. #4466655, born 3/8/21. A very clean fronted, eye appealing heifer by our Soldier son. Her balanced genetic predictions include double digit CE Direct, and four traits in the top 25% of the breed. She's backed up by Bull Hill donor cows on the top and bottom of her pedigree, and she has plenty of mama cow potential in her future.

Lot 56, SFRA 2105 Open Heifer

Bull Hill Soldier 7316, Reg. # 3924069, Sire of Lot 56

Lots 72-76, Commercial Open Heifers from Scrap Metal Farms, 2226 Gus Perdue Rd., Wrens, GA 30833

Five open Red and Red Baldy heifers calved February-April 2021. Sired by Bull Hill Epic 6289, Reg. # 3739367, a bull in the top 20% of the Red Angus breed for Pro S and Herdbuilder indexes. These heifers are out of commercial Red Baldy and Red Angus females. They have been vaccinated with Virashield 6 and Vision 7/Somnus prior to weaning and dewormed fall and spring with ivermec. Pictured March 2022.
